Re: CRD Bylaws 3474, 3495, 3497, 3498, 3499, 3500

The above proposed bylaws will affect landowners from East Sooke to Port Renfrew resulting in down-zoning and non-conforming properties. This loss of property rights will devalue properties and remove longstanding rights under the Local Government Act, sections 943 and 946, which allow landowners to strata or subdivide properties under 300 acres in size.

WE, the undersigned, oppose CRD Bylaws 3474, 3495, 3497, 3498, 3499 and 3500:
